This Sunday we have one of the most important events of our year: First Communion! Congratulations to all our young people who received Communion for their first time, and for their families. It is also a time for all of us to give thanks for the great gift we receive of the Resurrected Jesus - Body, Blood, Soul and Divinity - in the Eucharist.

This is also the perfect time to thank Jami and all those who help with our release time classes, our youth ministry program, and our Sacramental preparation programs. There is a good reason they have the reputation of being the best in our diocese.

One of our critical needs for release time is our school bus. Unfortunately, it is over 25 years old, and its reliability has decreased to the point where it needs to be replaced. We hope to have a new bus for the start of the next school year this fall. I will have more details about this over the next several weeks.
