This week we will be having Vacation Bible School in the evenings. Thanks to everyone who is helping during this week and thanks to everyone who provided materials for this week. We pray that our kids will have a fun and blessed week!

As you know, we had a couple of lightening strikes about a month ago, that did damage at both the Church and the rectory. Thanks to a lot of people, we are making repairs and improvements to get back fully up and running. One of the most noticeable improvements is that we were able to get our sound system adjusted, so hopefully everyone can hear better. However, the settings for this system are critical: A slight change to any setting will cause it to not work correctly and make it difficult to hear. So please do not adjust any of the settings.

We have also formed a committee to look at our facilities and prioritize repairs that need to be made. After our first meeting, we have a good idea of our immediate priorities. We will have more information about this in the coming weeks.

After our VBS week it seems that summer has truly begun. So hopefully everyone will have a wonderful summer and everyone will grow spiritually from the Sacraments no matter where you will be on a Sunday.
