As I mentioned last week, the parishes in the diocese have switched to using Flocknote for our parish management software. You may be familiar with Flocknote since we also use it for communication in several of our ministries. One of the advantages of Flocknote is that you can login and check and edit the information that we have. You can use the link <https://stpetercatholicchurch8.flocknote.com/home> and login using either your phone number or your email address if you have provided one. This account also provides a number of Catholic resources.

Next Sunday at 9:30 AM we will be celebrating the Sacrament of Confirmation with Bishop Siegel. We will have over 20 of our young people receiving this important Sacrament. So please pray for them and be aware that this Mass will likely be very crowded. If you want to attend, you should arrive early.
