This weekend in our Gospel reading we have what is known as the Parable of the Talents. However, for us in English, this can be a little misleading because "talent" in this case refers to an amount of money, not one of our natural gifts or "talents". The fundamental point, though, remains the same. As Americans living in the 21st century, we have been incredibly blessed, and God wants a return on His investment. So, as we come to the close of our liturgical year, this is the time to look at our lives and see what we are giving back to God and his Church.

One way we can provide a return on God's investment in us is to contribute to the Catholic Ministries Appeal. If you did not receive the Bishop's letter in the mail there are cards available in the back of church, or you can donate through Flocknote at the following link:
https://stpetercatholicchurch8.flocknote.com/pledge/1399

As of November 9th, we are 31% of the way toward our $85,724 goal with 45 households contributing. This is particularly critical for us this year as we must deal with the unexpected expense of the depreciation on the roofs that were damaged in our hail storm this past spring.
