Every month our Holy Father has a prayer intention for the universal Church. It is this "intention of the Holy Father" that we pray for at every rosary. For November, Pope Leo's prayer intention is, "Let us pray for the proper use of wealth, that not succumbing to the temptation of selfishness, it may always be put at the service of the common good and solidarity of those who have less."

It is important to remember that we, who have been given so much, are only stewards of God's property and we must act as stewards for the benefit of the entire world. This is particularly important for us to remember as we celebrate Thanksgiving, when we as a country give thanks to God for all the blessings and prosperity that he has given us. What we have is the result of God's grace, not our own works and merits. That is what we must always remember as we go through the rest of the year.
